Alderman Pickerell called the Legal & Legislative Committee Meeting to order.

Pickerell stated that business tonight is 3415 Missouri Avenue PFC Import Auto Parts.

Alderman Mathes asked if they were selling cars from the location and stated that some vehicles have Missouri license plates.

Mayor Hagnauer stated that Mr. Williams has an attorney and he will now to go through our attorney for any further discussion.

Alderman Pickerell turned the meeting over to Mr. Williams' Attorney.

Williams' Attorney stated Williams case before the council; argued ordinance 8625 and 8011; his client has filled his state license; waiting for zoning from the city; was told that there are no more licenses; he spoke of bankruptcy; brought up other used car licenses that have expired and others that supposedly don't have a used car license.

Alderman Pickerell stated there is nothing to discuss.

Alderman Williams stated that this is the situation Weber Truck has come in with their dealership and they do not have a License to sell used cars and there is no available so what are we going to do; over and over we were told is a License would become available Mr. Williams would have it. How are we going to give Weber a License to operate and not give Mr. Williams one? My suggestion is we rewrite the Ordinance were Mr. Williams can have a license and Weber can have a License.

Alderman William read portions of the Ordinance about used cars to the council.

Mayor stated we are not sure that Weber will be required to have a new License they already have an existing one that they sell used vehicles.

More discussion by the Mayor, Council and Attorney about the used car lot license.

MOTION By Pickerell, second by to adjourn the Legal & legislative Committee Meeting. ALL VOTED YES. Motion Carried.

MEETING ADJOURNED.
